Dear Friend Martinus,

Many thanks indeed for your kind letter of August the 29th sent to Bangalore which I got here a few days ago. Anna also wrote to me that you have written her a long letter and mentioned about your invitation to me. I am very grateful indeed for your very kind invitation to Denmark and to your Institute and I shall be very glad indeed to see you again and your spiritual home.

My work in Moscow will keep me busy till the middle of October. I am sent here by the Government of India to arrange a big exhibition of Indian Handicrafts and it will be opened about the 10th of October. After that I propose to go to Helsinki, Stockholm, London and Paris. I shall find out the best way to go to Denmark by air and shall inform you in time about my arrival at Copenhagen. It will be a great joy to meet you again and to see your ever beaming face and to hear your humorous laughter.

With love and kindest regards,  
Yours Affectionately,

G. Venkataswalam
